

**Australian Contaminated Land Consultants Association (Victoria) Inc.**  
**OHS Sub-Committee**

**Release Form –  
Permission to Post Information to ACLCA Web Site**

The ACLCA provides health and safety information to its members via the ACLCA Victoria web site.

This information includes **Hazard Alerts** provided by member companies and/or their clients. Hazard Alerts can be known by a range of names (including Safety Alert, Lessons Learned, and Safety Bulletin).

Hazard Alerts are generally generated by member companies or their clients as a part of an incident or hazard investigation process. They are written to inform readers and raise awareness of risk activities, and the lessons that have been learnt.

This form provides authorisation for ACLCA (Vic) to post Hazard Alerts to the ACLCA (Vic) website <http://www.aclca.org.au/health-and-safety>. This is a public part of the web site, accessible to all.

Hazard Alerts will not be altered or edited in any way by ACLCA, and will retain all branding information submitted. ACLCA will not necessarily use all Hazard Alerts submitted, and will not be responsible for the content or use of the Hazard Alerts.

Hazard Alerts should be submitted to: [info@aclca.org.au](mailto:info@aclca.org.au).
